VOICES FROM THE GAME

COACHING INSIGHT

"I had the pleasure of working with André Paulo at Sporting Clube de Portugal. He was always highly competent in everything he did, responsible, easy to work with and committed. He played an active role in the first team's league title in 2020/21 and in the B team's promotion to Liga 3. Based on his journey through various competitive contexts, I can say he will always be a valuable asset to any football project aiming to succeed both now and in the future."

Celikkaya – Former Coach, Sporting CP (now Chicago Fire)

Hugo Martins – Head Coach, Ethnikos Achnas

TEAMMATE TESTIMONIAL

"I had the opportunity to get to know André Paulo and share the dressing room with him for two years at Sporting Clube de Portugal. In addition to his outstanding qualities as a goalkeeper, which are beyond question, I also got to know him as a person and understand what he brings to a team environment. He has never been and will never be a problem. He is always an asset. He has been part of high-level, winning squads and has gained the experience needed to be ready for any kind of challenge."

Daniel Bragança – Midfielder, Sporting CP
